### Directions to warehouse

Hwy 51/39 north of Stevens Point, take the first exit (Casimir) turn east. Turn on North Second Drive, Drive North to the warehouse on the left.

### Packing

Use paper copy boxes with lids if possible, smaller than 2 feet. Use the brown label as usual but clearly mark the box baking equipment. If you know the setup in the warehouse put a green office label on the box as well so some center that does only sewing and crafts won't get the box,  
Call the office to arrange a delivery time. (715-346-4702)
