Some HCE History

Did You Know the “Why” About Our Logo?

The roof of the home symbolizes our past heritage with Extension Homemakers. The letters H (Home) C (Community) E (Education) make it a suitable logo by the state, county and club. The house without walls confirms a commitment to membership open to all regardless of race, color, creed, religion, sex, age, handicap or national origin.

Our Heritage

During Word War I, fifteen emergency home demonstration agents began work in seventeen counties to teach the use of wheat, sugar and meat substitutes. Nellie Kedzie Jones, the third State Leader of Home Economics Extension, worked tirelessly for fifteen years to have home agents established in counties and Home Demonstration Clubs organized throughout the state. Records show that in 1932, she organized 690 clubs in 43 counties. It was under her guidance that the project leader system organized.

The first meeting to consider the formation of a state Home Demonstration Council was called by State Leader, Blanche L. Lee in 1939 during Farm Home Week on the UW-Madison campus. A state Home Demonstration Advisory Committee met June 3, 1939 to elect officers. The first official meeting of presidents of County Home Demonstration Councils was held January 30, 1940 and twenty two counties were represented.

The purpose of the council was to provide representation of rural women on state committees concerned with issues which affect home and families in rural communities, to develop an awareness of national and international interests and needs, to develop leadership abilities of rural women, and to facilitate statewide acquaintances of rural women.

In 1969 the Wisconsin Home Demonstration Council changed its name to the Wisconsin Extension Homemakers Council. In 1993, the organization followed the lead of the national association and became the Wisconsin Association for Family and Community Education. The following year the state association voted to withdraw from the national association and chose the name, Wisconsin Association for Home and Community Education, Inc.

In the past 60 years there have been many other changes in the organization. Membership today includes both rural and urban members and is open to men as well as women. Although changes in technology, life-style , and the role of women and men has brought about changes in programming, our valuable partnership with Extension continues and the goals set in 1940 are as important today as they were then. We continue to care about families and communities, encourage members to assume leadership responsibilities and strive for international understanding of friendship.

BACKGROUND ON THE OUTAGAMIE COUNTY ASSOCIATION FOR HOME AND COMMUNITY EDUCATION

THE OUTAGAMIE COUNTY EXTENSION ASSOCIATION FOR HOME AND COMMUNITY EDUCATION ORGANIZATION is a non-profit, educational and service organization. Membership is open to all individuals without regard to race, sex, color, ethnic background, residence or economic circumstance.

EDUCATIONAL FOCUS PROGRAMS are offered most months with different topics. You will receive subject matter information and techniques to present the material. The subject information that you will receive comes from the University of Wisconsin or other research-based resources. The information will be current and reliable. You need to register with the Extension office for these sessions.

SPECIAL INTEREST MEETINGS are planned by the Outagamie County Association for Home and Community Education Committees. Special interest meetings are designed to present special information and supplement the leader training program. At a special interest meeting you will not receive information for each member in your club. Watch each newsletter for the special interest meetings planned. Follow instructions carefully for each meeting because they are different. These programs may be open to the general public.

GOALS OF OUTAGAMIE COUNTY ASSOCIATION FOR HOME AND COMMUNITY EDUCATION:

- To provide educational programs for people and communities that will meet their current and future social, economic and environmental needs.
- To develop leadership and the ability to make decisions.
- To foster all that pertains to the best development of children, home and community.
- To balance needs and goals against resources for decisions.

PRAYER

Dear God, give us the grace to see
The blessings which have come from Thee
Give us the strength to do our duty
To see in everything some beauty
Teach us that love and cheerful giving
Tolerance and decent living
Make of our home a place sublime
Where there's no place for hate or crime
A place where good friends gather round
Where laughter, mirth, and cheer abound
Not selfish thought nor worldly greed
Let this, dear Master be our creed.

--Mrs. James M. Hutton, St. Croix County

CREED

We, the homemakers of Wisconsin, believe in the sanctity of the home, the cradle of character, blessed by motherly devotion and guarded by fatherly protection.

We pledge ourselves:

To work for the preservation and improvement of home and community life;
To strive for healthier minds and bodies, and better living;
To promote the welfare of our boys and girls, the nation's greatest asset;
To be true to God and country and of lasting service to our homes and communities.

--Mrs. John Meise, Sauk County
