

St. Croix County Home and Community Education

January 2023 –

Happy New Year to all.

As many of you may have already heard that Linda Sutherland and Merlee Holman both suffered strokes over the holidays – as you can expect this has been devastating to them, their families and our county, district and state board.

See meeting minutes for contact information.

To that end, I will take over the County Presidential duties (unless someone else wants to do.) Jennifer Raddatz, Linda's daughter from Turtle Lake will take over Linda's membership committee duties for county and district and maybe state duties. Which will be determined at our zoom meeting next Sunday.

Our state board liaison Sara Richie has provided us with a list of zoom meeting held in February and March. See attached for details.

I was looking around and also found some useful YouTube lessons that the Extension office provided last year you might be interested in on your own or at your club meetings. Search "Wise Wisconsin Winter Series" there are 10 sessions available: Videos include -- Social connection, Cultivating Optimism, Finding your joy, Money by the heart, Retirement Refirement, Absolutely Positive Aging, Compassion, Decluttering, Developing Connection & belong through Family history, Gardening for Life.

NOTE: There is a tab under Wise Wisconsin Series "View Full Playlist".
