What Is Families Branching Out?

Families Branching Out (FBO) was created in 2022 to provide a free, multi-generational family-friendly event for everyone. There is no charge to attend and there is no solicitation or selling.

It is a hands-on community expo which aims to strengthen families and provide a useful resource fair. In addition, FBO aims to:

- Cultivate a "learn • care • share" mindset
- engage the community
- encourage volunteerism
- model "learn by doing"
- promote HCE in the community

Our emphasis is to provide a half day of activities for all ages where they can come and learn new things, have fun, and walk away with a heartwarming experience. There are indoor and outdoor activities.

Everyone can participate in make 'n take activities, maybe have their vision screened, register their child's ID, or find out about resources in the community they did not know about.

When and Where is FBO:

Saturday, April 27th, 2024
10:00 am – 2:00 pm
Kenosha County Center
19600 75th Street (Hwy 45 & 50)
Bristol, WI 53104
