

## Spotlight on Juniorettes

**Juniorettes** Members include, from left, Shirley Kieckhafer, Janice Lawrence, Marlene Deininger, Jean Joseph, Barbara Johnson, and the late Lorna Sellin. The Juniorettes club was organized in 1951.

The original name was the Red Granite Juniorettes in

the Town of Maine. We had many gala events to be together our club would have picnics with our families and Christmas parties at the homes of the members. We went to restaurants first and then the party. I Shirley, now President of our club was married one year when I joined the club in 1962. Remembering the first years we had a Marathon County Home Economist (Family Living Agent). Jackie Carattini served us for many years. Every month we would have someone go to River Drive for a leader lesson. That person would then report to the group.

In 2010 I gave a class called “Better Health with Juicing and Blending”. Thirty-six persons attended, some from Athens, Ringle, Stevens Point, Antigo and Tomahawk. Travels included touring Marshfield Ronald McDonald House where we gifted them with a Homemade quilt. We also toured the Jurustic Park in Marshfield which is still open. They have many metal sculptures and a shop with jewelry, etc. You can view their website. We also went to the Fireside Theater in Janesville. Being part of the HCE Home and Community Education has many rewards.
