Mission Statement

*We will make headwear FREE of charge for cancer patients as an ongoing project and will distribute them through Oncology Departments at Vince Lombardi Cancer Center and Matthews Oncology.

TO ACHIEVE OUR MISSION:

- *We strive to recruit additional volunteers to help make headwear.
- *We strive to obtain additional funding for supplies.

Project History

Our goal is to make as many stylish items as we can each year. We have completed and given hundreds in this short time. We service the cancer patients of Sheboygan County and the Oncology Departments at the Vince Lombardi Cancer Center and Matthews Oncology. Our headwear is also available free at Usadel Hair Force in Sheboygan.

We continue our Labor of Love for people we may never meet - so they may look and feel good about themselves.
